Dear RFSC member,

Dues information is listed on the front. Payment is due by March 31st. Returning members will be assessed a \$25 late fee if they do not make their payment prior to April 1st. The actual due date is March 1, but a 30-day grace period is provided before the additional fee is assessed.

We ask all our members to sign up to work at least two events during the year. Our club is large, and to have a successful season, we need everyone to be involved. Sign up for your choice of events below and submit this page with your membership form and dues (but first write your commitments in your calendar). Please volunteer for at least one activity in each column. Thank you for donating your time to help your sailing club.

Thank you,
RFSC Board
